About the Conference

The 1st National Conference on Psycho-Gerontology with the theme, **“Building an Umbrella of Care: Weaving Mental Health & Well-being in Ageing Population”** addresses the critical intersection of psychology, mental health and aging. As our population ages, the need for comprehensive mental health care has never been more urgent. This conference brings together experts in geriatric mental health as well as other health professionals treating older adults to explore innovative strategies that promote mental well-being in older adults. Attendees can expect inspiring keynote presentations, interactive workshops, and valuable networking opportunities. We'll delve into topics such as mental health issues, cognitive health, grief and loss, elderly abuse, innovations in psychological management, and the role of community support. By fostering collaboration among healthcare professionals, we aim to enhance the quality of care provided to our aging population.

Join us to share best practices, discover new therapies, and engage in meaningful discussions. Together, we can work towards a future where mental health is prioritized as an essential aspect of holistic care for older adults. This is a unique opportunity to be part of a vital conversation that will shape the future of geriatric mental health.

About the Host and Venue

The Conference is a collaborative academic event organized by the Department of Psychiatry and Geriatric Medicine, AIIMS, New Delhi.

The conference will be held at the JLN Auditorium of the All India Institute of Medical Sciences (AIIMS), New Delhi, which is the largest multi-specialty public hospital and medical college in India. Respected Sir/Madam,

Aug. 2025

Subject: Call for Sponsorship for the 1st National Conference on Psycho-Gerontology (GeriPsych 2025), to be held at AIIMS New Delhi, India

Respected Sir/Madam,

All India Institute of Medical Sciences (AIIMS), New Delhi, with great enthusiasm, is organizing the **1st National Conference on Psycho-Gerontology – GeriPsych 2025** from **2nd to 4th December 2025** at **AIIMS New Delhi, India**.

This national conference is a significant milestone in advancing the discourse on geriatric mental health and well-being in India. Jointly hosted by the **Department of Psychiatry and Department of Geriatric Medicine, AIIMS New Delhi**, GeriPsych 2025 is envisioned as a pioneering platform for professionals, researchers, and policy stakeholders working in the field of Geriatric Care esp. mental health to come together and build an umbrella of care for the ageing population.

GeriPsych 2025 is expected to attract wide participation from psychiatrists, clinical psychologists, geriatricians, neurologists, rehabilitation experts, occupational therapists, researchers, students, NGOs, and healthcare institutions from India and overseas. With its theme "**Building an Umbrella of Care: Weaving Mental Health & Well-being in Ageing Population**", this conference offers a unique opportunity to delve into interdisciplinary approaches and best practices in psycho-geriatrics.

By sponsoring our event, your esteemed organization will have a premier opportunity to engage with a focused audience, enhance brand visibility, and demonstrate your commitment to advancing geriatric healthcare. Sponsors will benefit from stall space, branding, presentation slots, and extensive digital and print visibility as outlined in our sponsorship brochure.

This being the inaugural edition of GeriPsych, we are committed to setting a benchmark in quality, reach, and impact. We cordially invite you to partner with us and be an integral part of this important journey, contributing meaningfully to the future of geriatric mental health in India.

We look forward to your kind support and participation.

Warm regards,

Dr. Kranti K. Srivastava
